

WATCO

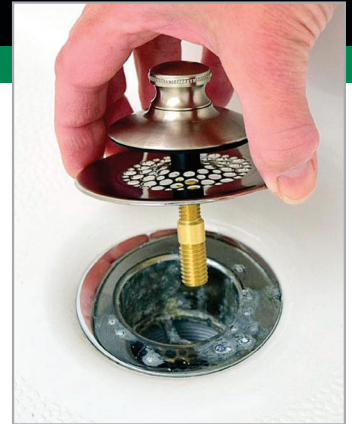

Always a step ahead

Universal NuFit®

Makes old bathtub drains look new in minutes.

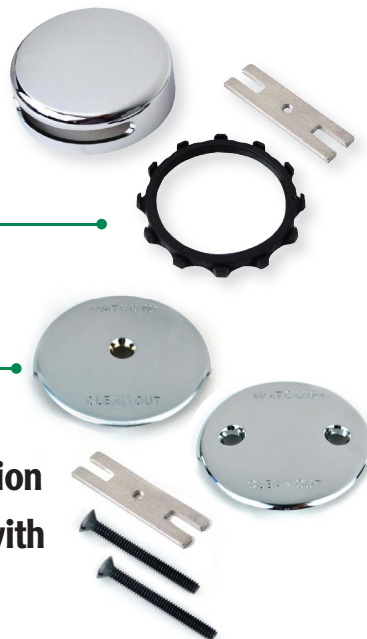

*Grid strainer
keeps hair and
other items out of
bathtub drain*

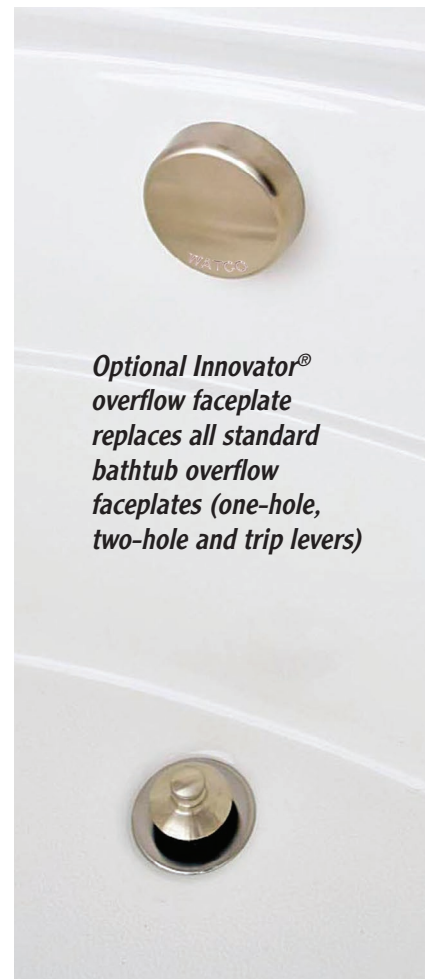

- Fits **OVER** old tub drain
- No removing strainer body
- Installs in minutes
- Ideal for hotels, apartments, repairs and remodels

- Available with or without hair-catching grid strainer
- Available with or without snap-on Innovator® overflow faceplate—no screws!
- One-hole and two-hole overflow faceplates also available
- Long-lasting and durable
- Resists harsh chemicals and corrosion
- Easily installs with pin (for drains with crossbars) or silicone (for drains without crossbars)

*Optional Innovator®
overflow faceplate
replaces all standard
bathtub overflow
faceplates (one-hole,
two-hole and trip levers)*
