Watco Insta-Grip™ Shower Drain

Includes Green Polycarbonate Cover To Protect Grid Finish During Construction.

Includes Heavy-Duty, Snap-On Grid 20% Thicker Than Competitive Grids.

Includes test cap. No-test version available.

Drain Body includes screwdriver slots.

Drain is manufactured in dark gray PVC to reduce appearance of dirt and mildew.

Shower Pan for example only, not included

Multiple versions available:

- Testable (locking ring installed)
- Dry fit, pre-test (locking ring included but not installed)
- No-test (no locking ring or test plug)
- Rough-in (no grid strainer)

Easy-to-tighten nut to secure drain from below.

Integrated seal (no compression well seal) for easy, fast installation...installs in less than one minute. Eliminates need for glue.

No compression well seal!
